## INVITATION TO BID

As part of our responsibility to obtain DBE participation, we are providing an opportunity for your company to bid on the Metra blanket construction IFB30330 for Asphalt Paving Services.

Plans and specifications are available for pick-up at the Metra office at 547 W. Jackson Blvd, Chicago, IL or are down-loadable from our website: [www.HardinPaving.com](http://www.HardinPaving.com). Please look under "bidding opportunities".

Bidder must comply with all requirements of Metra's plans and specifications and must execute Hardin Paving Company's standard subcontract, a copy of which is available on our website.

If you have the desire and capability to perform any work or supply any materials contained in the contract documents, please contact Steve Salinas ([ssalinas@hardinpaving.com](mailto:ssalinas@hardinpaving.com)) or Diana Wolford ([dwolford@hardinpaving.com](mailto:dwolford@hardinpaving.com)) via email or facsimile (847-419-9050) with your intention to bid. You may also ask for help if you have special needs such as obtaining proper insurance, leasing equipment, filling out forms, or obtaining union labor.

Please submit your proposals no later than 2 PM on March 17, 2010 so that we will be able to analyze any proposals and still have time to submit our bid to Metra.
